CFS Vision and Mission

- We are a COMMUNITY
- We have a distinct CURRICULUM
- We have a DISCIPLESHIP model

Lower School - Know God and identify as children of God
Middle School - Understand God's redemptive purposes in Christ
Upper School - Equipped to serve Him

Our vision is to be a Christ-centred community where every child grows in the knowledge of God and the understanding of His purposes, discovers their place in God's big story and is equipped to serve God and others with faith, wisdom and Christ-like character.

A vision in four parts:

1. A Christ-centred community
2. Growing in the knowledge of God and the understanding of His purposes
3. Discovering our place in God's big story
4. Equipped to serve God and others with faith, wisdom and Christ-like character.
