On days when pupils have PE, they may arrive at school wearing their PE kit with school jogging bottoms. Alternatively, pupils may choose to wear their usual school trousers or skirt over/with their PE kit during the school day before their PE lesson. Following PE, pupils should change back into their school uniform or wear school jogging bottoms over their PE kit before travelling home. This helps to ensure that sportswear is kept for PE lessons, while pupils maintain school attire when arriving at school, during the school day and when travelling home.

Parents must ask for permission for a pupil to wear their own clothes at the end of the day for a specific occasion. Pupils are encouraged to bring a towel and toiletries with them if they wish to shower after PE. No jewellery or earrings. "Hair that is long enough must be either fully tied back or worn half-up, with the front sections securely tied back so that all hair is kept off the face". Please see ‘How to wear uniform’.
