#### **Structure. Governance and Management**

##### **Governing document**

The charity is a company limited by guarantee governed by its Memorandum and Articles of Association dated 13th January, 2000 as amended on 24th August 2000. It is registered as a charity with the Charity Commission.

##### **Appointment of trustees**

The directors of the company are also charity trustees for the purposes of charity law and under the company's articles of association and are known as the board of directors. Under the requirements of the memorandum and articles of association; trustees are eligible as the board of directors, to appoint additional trustees. The board of directors appoint non-executive directors to work with the board in specialist operational support roles. The non-executive directors are invited to attend all board meetings. The number of members of the board shall be not less than three and not more than nine.

##### **Trustee induction and training**

New trustees are required to undergo training to brief them on their legal obligations on the charity and company laws; the content of the memorandum and articles of association; the committee and decision making process; the business plan and recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events to facilitate the undertaking of their role.

##### **Organisation**

The directors and non-executive directors run the school together as a board of governors. The governors are responsible for the formation of the policies and practices of the school. The governors then delegate responsibility for day to day management of the school in accordance with the set policies and practices to the head teacher (Mr. W.R. Worsley) with full support of the senior leadership team, made up of department heads.

##### **Related parties**

The school has relationships with other educational organisations in the UK, including the Christian Schools' Trust (CST) which provides resources and expertise in terms of developing and delivering a Christian curriculum.

### **Trustees' Report**

**For the year ending 31<sup>st</sup> August 2018**

#### **Risk management**

During the year, we reviewed all the policies of the charity: Risk Assessment, Accidents, Health and Safety, Fire, Safe Guarding, Staff Training & Induction and Legionella.

#### **Objective and activities**

The object of the Company is to promote an education based on Christian principles for children aged four to sixteen. Its main aim is to support Christian families in the nurturing of their children. We consciously keep our school fees as low as possible so that the school is accessible to everyone.

The school seeks to promote a vision and understanding of Christian Education both in the UK and abroad so that as pupils move on to higher education and adult life they will have an appreciation of how to apply their faith, being equipped to serve as global citizens. This requires the provision of teaching programmes that contain a clear Christian distinctive that combine to produce a curriculum that embodies a Christ-centred, biblical world-view.

#### **Some of the policies the school has to achieve its aims include:**

- Promotion of the values of a Christian home.
- Promotion of a culture of mutual respect, support and collaboration between staff, parents and children for the benefit and success of pupils and the whole community, this is reflected in the Parent and Educational Team Agreement, which is actively communicated during the admissions process.
- The application of the principles of the Kingdom of God throughout the teaching and learning process.
- A system of nurture and direction of the children that includes Christian love and discipline.
- Training of staff and parents to engage with children so as to achieve God's purposes for them.
- Setting up of financial structures that will enable the school to achieve its goals with the resources available.
- Communication of the aims and purposes of the school to the Christian community.

#### **Achievements and Performance during the year**

##### **Leadership**

The board of directors is an agile team of four, who additionally serve as members of the board of governors - this integrated and flexible leadership team works directly with the head teacher in providing leadership in specific roles of: finance, infrastructure, communication, education, curriculum, parent collaboration, communication, safeguarding, and staff welfare.

##### **Ofsted Inspection**

We were last inspected by Ofsted in February 2017, at which time the school's overall effectiveness was judged to be a good, and personal development, behaviour and welfare were judged outstanding.

##### **Continuous Professional Development (CPD)**

Members of staff are supported in their continuous professional development by means of a performance management system. The governors review the performance and development of the head teacher annually, measured against agreed objectives, which reflect the whole school development plan. The head teacher ensures that his objectives together with individual personal objectives are cascaded to his leadership team, who further take responsibility for the performance management of the wider staff body.

#### **Infrastructure**

The directors began to consider the long-term maintenance challenges of the school buildings in 2011. Following a full assessment of options including a full re-build, it was concluded in 2016 that the existing buildings should be refurbished. During 2017 a programme of work was drawn up, which was commenced in August 2017, with the front elevation windows being replaced.

In August 2018 the roof was refurbished and insulated. The plan is to progress with the remainder of the refurbishment programme in 2019/20; this will include: the rear elevation windows, and heating system.

#### **Professional Development: Year ending 31st August 2018**

Staff training from a Christian perspective was delivered throughout Inset Days (11 this year). A proportion of this time was spent on looking at the school vision & curriculum development. These will continue to be developed. Additionally, some in-service time was spent on SMSC training, Pupil Performance, SEN & Safeguarding.

**2018 GCSE Results**

**Attainment 8**

The overall attainment score in the eight subjects used to measure performance was 59.25, compared with last year's score of 57.63. Given the academic profile of the class, this was a good result, and compares well with other good schools in Liverpool.

**Percentage with English and Maths at standard/strong pass level**

The Department for Education defines a score of 4 as a 'standard pass' with a score of 5 as a 'strong pass'.

Our performance on these measures was 83% (75% in 2017) with strong passes in five GCSE, including both Maths and English and 100% (88% in 2017) with standard passes in five GCSEs including both Maths and English.

### Trustees' Report

#### For the year ending 31<sup>st</sup> August 2018

#### **All core Subjects (% with passes at Grade C or Grade 4 / 5)**

A direct comparison is not possible in English and Maths as the 2016/17 Grade 4 does not precisely map to the 2015/16 Grade C. The table below shows both standard and strong passes in the three 9 - 1 GCSEs compared with the 2016/17 Grade C passes.

	<b>2018 Grade 4 or higher</b>	<b>2017 Grade 5 or higher</b>	<b>2018 Grade 5 or higher</b>	<b>2017 Grade 5 or higher</b>	<b>2017 Grade C or higher</b>

#### **Percentage with EBacc**

In 2018, 58% (75% in 2017) of students achieved passes in the EBacc suite of qualifications. The EBacc is not a qualification for students and we recognise that the EBacc suite of qualifications (a double or triple award science, a modern foreign language, and a humanities subject, in addition to English and Maths) may not be suitable for all students. We therefore tailor each student's learning programme to meet their individual needs, and also ensure that students have opportunity to pursue creative arts, which we value highly as a school.

#### **Parents and Friends Collaborative (PFC)**

During the academic year a number of PFC meetings were held. These meetings provided an opportunity to engage with the wider school community and communicate key development and planning activities. These included subjects such as refurbishment of the buildings, fundraising, safeguarding, online safety, fundraising, a school fees review, volunteering, community engagement and curriculum development.

#### **Pre-school, Parents in Partnership with School (PiPS)**

The number of families involved in PiPS has increased and is now at least 15. PiPS is one of the key vehicles for new families to join our school community and move on into full-time education in Reception. The group meets twice a week and aims to:

- Offer parents and their pre-school children regular opportunities to play, fellowship, explore aspects of Christian parenting, supporting each other, and having age appropriate slots for teaching bible stories, singing and praying with their children.
- Introduce families to the distinctive vision of school. Many Reception pupils are introduced to the school through PiPS.

#### **Gifts and Donations Received**

A large number of sundry gifts and donations were received by the school during the financial year, totaling £42,962 (2017: £53,275). This provided an opportunity to invest in building repairs, furniture, fixtures and fittings, and computer equipment. In addition, many items of classroom furniture were donated to the school.

### **Trustees' Report**

#### **For the year ending 31<sup>st</sup> August 2018**

#### **Loans**

In support of the renovations of the school buildings, there a number of families and businesses associated with the school have made short-term loans to the school. The Trustees plan to restructure the school's financing once the renovations are complete (please see Appendix - Notes 22 & 23 of the Annual Accounts for 2017/18).

#### **Public Benefit**

The directors and governors are continually considering the opportunity of making the school accessible to many, and also that some of the school's focus and activities would be of benefit to others outside the school community.

- The school building and facilities are used by local church communities for activities such as: Church conferences.
- One local Church uses the school building for their Sunday services.
- Each year the school supports Operation Christmas Child and the Shoe Box appeal including visits to the warehouse. Regular clothing collections are made for Second Chance Charity Shop and, the work of Asylum Link (ALM) is supported through collections and a food shop for Asylum seekers each December.
- The Equipped to Serve programme in Upper School is designed specifically to equip young people to become active citizens growing in and displaying Christian values. There are several projects such as the Romania Mission Trip, where Upper School pupils fundraise for and make an annual trip to Romania specifically to support children in a gypsy village and soup kitchen. In Liverpool, Upper School classes are actively involved in the Reverse Advent Calendar campaign, supporting the Liverpool Cathedral Food Bank and also make weekly visits to a care home for the elderly to engage socially with the residents and bring a sense of connection between the generations with the aim of impacting the wellbeing of the residents. This work has been highly commended by the Care Quality Commission who have included our partnership with the care home on their Advent Calendar as an example of good practice.
- The annual exchange programme with a school in the Netherlands also involves the sharing of teaching expertise and citizenship values between staff of both schools.

#### **Financial Accessibility**

- Fees are as low as possible, to enable access to a wide range of families.
- The staffs in effect supplement the school's income by taking very low salaries. Some work voluntarily or offer voluntary days.
- An independent committee manages a hardship fund for families in financial crisis.
- The school administers a sponsorship scheme to help with fees in specific cases such as asylum seekers.
- A range of bursaries of up to 75% are offered to families with low incomes.
- The fee structure reflects reductions for the third and subsequent children. A free place is offered to the 6<sup>th</sup> child.
- One year of free education is offered for the first child, of new families, joining the school in Lower School.

#### **Financial Review**

The results for the year are set out on page 11 & 12.

#### **Investment powers and policy**

Under the memorandum and articles of association, the charity has the power to invest in any way the trustees deem appropriate. The directors have established a policy where surplus funds, which are not required for the day to day running of the school, are invested in a deposit account with the company's bankers.

### **Trustees' Report**

**For the year ending 31<sup>st</sup> August 2018**

#### **Grant Making Policy**

The directors make grants to deserving causes in response to specific requests made to them.

#### **Plans for future periods**

The trustees are working with the governors and head teacher to establish the school to be thriving and sustainable for the next 30 years.

A full four year development plan was drafted during the first term of the 2015/16 academic year, and this has been revised further in 2017/18. The primary objectives of the plan are to grow the school to capacity, refurbish the school buildings, develop the curriculum, and establish stronger devolved middle management team to ensure that the quality of teaching continues to improve.

During 2017 a programme of refurbishment work was drawn up, which was commenced in August 2017, with the front elevation windows being replaced, in August 2018 the roof was refurbished and insulated. The plan is to progress with the remainder of the refurbishment programme in 2019/20; this will include the rear elevation windows, and heating system.

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud, and other irregularities.

In accordance with Company Law, as the company's directors, we certify that:
